70	79	82	85		

### Table Instructions

**Use the .7 column for the regression score and a 16 point discrepancy when these tests or score results are the best measure of cognitive/intellectual ability:**

- WJ-III General Intellectual Ability
- WJ-III Thinking Ability
- CAS Full Scale
- RIAS Composite Index Score
- RIAS Verbal Index Score
- RIAS Nonverbal Index Score
- WISC-IV Full Scale IQ
- WISC-IV Verbal Comprehension Index
- WISC-IV General Ability Index
- WAIS-IV Full Scale IQ
- WAIS-IV Verbal Comprehension Index
- WAIS-IV Perceptual Reasoning Index
- WAIS-IV Working Memory Index
- WAIS-IV General Ability Index
- SB-V Full Scale IQ
- SB-V Verbal IQ
- WAIS-III Verbal IQ
- WAIS-III Full Scale IQ
- WAIS-III Verbal Comprehension
- UNIT Reasoning Quotient

**Use the .6 column for the regression score and an 18 point discrepancy when these tests or score results are the best measure of cognitive/intellectual ability:**

- WPPSI-III Verbal IQ and Full Scale IQ
- WISC-IV Perceptual Reasoning Index
- WAIS-III Performance IQ
- SB-V Nonverbal IQ
- KABC-II Mental Processing Index
- KABC-II Fluid-crystallized Index
- DTLA-4 Verbal Composite
- DTLA-4 General Mental Ability
- DAS-2 Composite Intelligence Scale
- DAS-2 Verbal Ability
- DAS-2 General Conceptual Ability Scales
- KAIT Crystallized Scale and Fluid Scale
- UNIT Full Scale IQ; UNIT Symbolic Quotient
- WNV Wechsler Nonverbal Scale of Ability

**Use the .5 column for the regression score and a 20 point discrepancy when these tests or score results are the best measure of cognitive/intellectual ability.**

- WPPSI-III Performance IQ
- WISC-III Performance IQ
- WISC-III Perceptual Organization Index
- WAIS-III Perceptual Organization Index
- KABC-II Nonverbal Scale
- DTLA-4 Nonverbal Composite
- DAS-2 Nonverbal Reasoning Ability
- DAS-2 Spatial Ability Scales
- TONI-3
- C-TONI
